Re: Contemporary Cars, Inc. d/b/a Mercedes-Benz of Orland and Autonation, Inc.
Case 12-CA-026126 et al.

The Board has received Counsel for the Acting General Counsel's Motion to Correct Appendix A of Board's Decision and Order, bringing to the Board's attention inadvertent errors in the text of the Order and Notice in the Board's September 28, 2012 Decision in the above case. The Board has now corrected those errors and substituted a corrected Decision and Order on the Agency website. A copy of the corrected Decision and Order is attached. We shall deem Counsel for the General Counsel's Motion moot.
